The author regrets the omission of the funding statement in the above article. This statement is provided below.

Funding Statement. This article is part of a project funded by two different institutions, John Carter Brown Library (Jeanette D. Black Fellowship) and the ANID-FONDECYT Project No 1220219: “The epistemological, historical and territorial construction of the Southern Zone as a Natural Laboratory: scientific agendas, knowledge networks and global imaginaries”.

The funding statement has now been added and all versions updated.
