

of the Yorkshire Mental Hospitals at North Riding Mental Hospital, Clifton, York, as an assistant medical officer; here he stayed until 1913, when he was appointed Medical Superintendent on its establishment of Gateshead Mental Hospital, Stannington, Northumberland. When this hospital was taken over in 1918 as a neurological war hospital, he became Officer Commanding with the temporary rank of Lt.-Colonel R.A.M.C. This war hospital unit came to an end in 1919 and reverted to its civilian purposes, and Tighe resumed his duties as Medical Superintendent.

He entered into its reorganization with enthusiasm, and, as the President remarked at the last quarterly meeting of the Association, Tighe and Gateshead Mental Hospital were one and the same thing, so much of his personality had he built into its administration.

Mr. T. J. Shields has succeeded Mr. S. Honeyman as Librarian

Dr. W. H. Coupland has presented the Library with a copy of *The Treatment of the Insane without Mechanical Restraints*, by John Conolly, M.D., 1856. He makes this generous gift “ pour encourager les autres ” and the Library Committee hopes it will not be without avail. As a psychiatric reference library that of the Royal Medico-Psychological Association should be the first in the United Kingdom and very soon could be, if members would contribute only one work each. A copy of the Library catalogue can be obtained from Messrs. J. & A. Churchill, price 2s., post free, from which members can gather the titles of books missing from what should be a historical collection of psychiatric works from the seventeenth century onwards. The Honorary Librarian will be glad to assist members in making a suitable selection of works for presentation. Failing this, the Committee would like to have the first offer of rare psychiatric books which members for some reason or other, find it necessary to sell.
