Popular Support for an Undemocratic Regime*The Changing Views of Russians*Richard Rose, William Mishler,
and Neil Munro

\$85.00: Hardback: 978-1-107-00952-3: 224 pp.

\$29.99: Paperback: 978-0-521-22418-5

“Popular Support for an Undemocratic Regime is a sophisticated examination of a fundamental question facing analysts of Russian politics, and indeed of other semi-authoritarian systems: what happens when the rulers supply the regime that the people are asked to support? This book is essential reading for all those in comparative politics concerned with the persistence of undemocratic regimes.”

– Richard Sakwa,
Professor of Russian and European
Politics, University of Kent

All forms of government require popular support to survive, whether voluntary or involuntary. Following the collapse of the Soviet system, Russia’s rulers took steps toward democracy, yet under Vladimir Putin Russia has become increasingly undemocratic. This book uses a unique source of evidence, eighteen surveys of Russian public opinion from the first month of the new regime in 1992 up to 2009, to track the changing views of Russians. Clearly presented and sophisticated figures and tables show how political support has increased because of a sense of resignation that is stronger than the uncertain economic reliance on exporting oil and gas.

Children Without a State

A Global Human Rights Challenge

edited by Jacqueline Bhabha

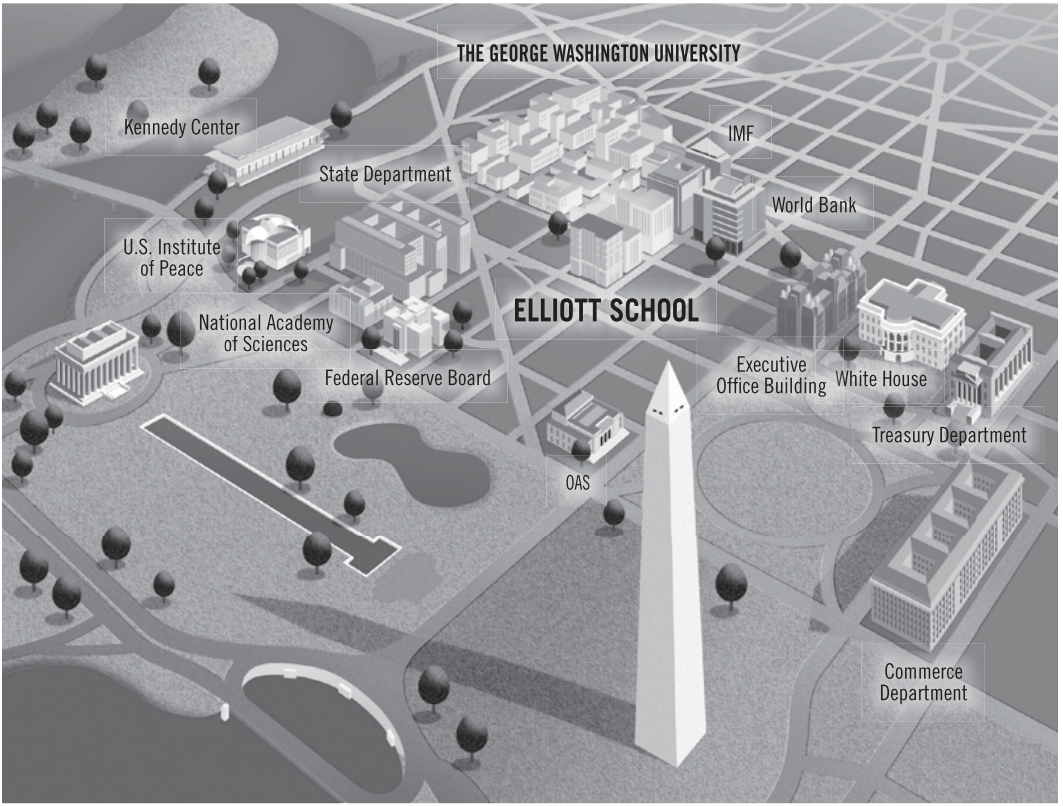

foreword by Mary Robinson

"This is an important and timely volume which will add significantly to the existing literature on migration and citizenship law. Childhood marks a status of less-than-full membership which renders individuals vulnerable as a matter of law and social practice in relation to adults. This is the first book-length study that systematically analyzes the interface between national status vulnerability and childhood."

— Linda Bosniak, School of Law, Rutgers University, and author, *The Citizen and the Alien: Dilemmas of Contemporary Membership*

408 pp., 1 illus., \$32 cloth
