The Answer

By John Norton

Translated and edited by Douglas Horton

John Norton's "Responsio" (1648), virtually unknown, yet still vitally important today, was the first book written in Latin in New England and the first clear statement of the ecclesiology of the New England churches. Written to answer a set of questions put to the Puritan dissenters by William Apollonius, pastor-theologian of the church in Middleburg, **The Answer** provides historians of Puritanism and 17th century America with some valuable information and offers all members of Calvinist inspired religions a fuller understanding of their heritage.
