Regular Voters, Marginal Voters and the Electoral Effects of Turnout – RETRACTION

ANTHONY FOWLER

doi:10.1017/psrm.2014.25. Published online by Cambridge University Press 15 October 2014

The paper ‘Regular Voters, Marginal Voters and the Electoral Effects of Turnout’ was retracted at the Editorial Offices request due to the paper being submitted as accepted before passing the replication process. The process reported discrepancies between the reported results and replicated results in Table 2 and Table A1. The article will be republished with these errors corrected.
