The Blockade

By D. V. PAVLOV

Translated by JOHN C. ADAMS

With an Introduction by HARRISON SALISBURY

Records a phenomenon unique in modern warfare—the 900-day total siege of a city of three million. Written by the man in charge of supplies both for the Leningrad Front and for the population of Leningrad, this chronicle shows the gallant resistance of the citizens of Leningrad without distorting the story of the onset and breaking of the German blockade.
