

## forthcoming event

---

The **British Neuropsychiatry Association (BNPA) 2002 Annual Meeting** will be held at the Institute of Child Health, central London on 21–22 February 2002. The meeting will cover four topics: clinical and neurobiological aspects of new variant Creutzfeldt–Jakob disease (vCJD); the mind's ear; pervasive developmental disorders; and new drugs

for neuropsychiatry. The meeting includes keynote addresses from prominent international and UK speakers, along with a session for members' contributions. For further information please contact Gwen Cutmore, BNPA Conference Secretary, Landbreach Boatyard, Chelmer Terrace, Maldon, Essex CM9 5HT (tel/fax: 01621 843 334; e-mail: [gwen.cutmore@](mailto:gwen.cutmore@lineone.net)

[lineone.net](mailto:gwen.cutmore@lineone.net); website: [www.bnpa.fsnet.co.uk](http://www.bnpa.fsnet.co.uk)). For details of membership of the BNPA, open to medical practitioners in psychiatry, neurology and related clinical neurosciences, please contact The Secretary, Professor A. S. David, Department of Psychological Medicine, Institute of Psychiatry, De Crespigny Park, Denmark Hill, London SE5 8AF.
