On Hearing Nietzsche and Nietzsche on Being Heard—ERRATUM

Rebecca Aili Ploof

doi:10.1017/S0034670521000310. Published online by Cambridge University Press, 15 June 2021

There is an editorial error in the first paragraph of Ploof's contribution to "A Symposium on Jeremy Fortier's *The Challenge of Nietzsche: How to Approach His Thought*" in the August 2021 issue of *Review of Politics*.¹ The last sentence should read as follows:

And because the ability to listen is a skill that can be actively cultivated, love, independence, and health are not merely experiences that happen to us, but also ones we can participate in creating.

We regret the error.
