

NOTICES BY THE HONORARY LIBRARIAN.

The Hon. Librarian regrets that owing to the transference of the head-quarters of the Association to 11, Chandos Street, the consequent dislocation of the Library and changes in the executive staff, the Library is at present unable to function as to the issue of books or journals.

The following books have been added to the Library :

By Purchase :

De cerebri morbis. Jason Pratensis. (F'cap 8vo.) Basileæ per Henrichum Petri. 1549. (Bound in vellum.)

Presented by Dr. J. R. Whitwell :

1. Lazarus Riverius. *Praxis Medica cum Theoria.* (Cr. 8vo.) Lyons. 1674.
2. Goulard, Surgeon-Major to the Roy. Med. Hosp. Montpellier. *A Treatise on the Effects of Various Preparations of Lead, Particularly the Extract of Saturn* (transl.). (8vo.) London. 1773.
3. Gideon Harvey. *Great Venus Unmasked, or a more exact discovery of the Venereal Evil or French Disease.* London. 1672.
4. Autoscript bulletin issued by Dr. Willis during the last mental illness of Geo. III, dated February 15, 1812 (original).
5. Dugald Stewart. *Elements of Philosophy of the Human Mind.* London. 1837.
6. Simplicity of health by "Hortator" with "Character" by Abernethy. London. 1829.
