

- Absinthe** – Absinthe and suicidality, 44
- Acute** – Use of seclusion in a general hospital acute psychiatric unit, 184
- Adherence** – Adherence in psychiatry, 55
- Adolescence** – Eating problems in Irish children and adolescence – EPICA, 172
- Adult Attention Deficit Disorder** – Estimating the prevalence of adult ADHD in the psychiatric clinic: a cross sectional study using the adult ADHD self-report scale (ASRS), 195
- Adult Self-Report Scale Screener** – Estimating the prevalence of adult ADHD in the psychiatric clinic: a cross-sectional study using the adult ADHD self-report scale (ASRS), 195
- Advance directive** – Patient attitudes towards compulsory community treatment orders and advance directives, 66
- Adverse effect** – Association between antipsychotic medication and venous thromboembolism, 22
- Adverse effect** – Depressive psychosis associated with a cyclo oxygenase 2 inhibitor (meloxicam), 157
- Affective disorders** – Depressive psychosis associated with cyclo oxygenase 2 inhibitor (meloxicam), 157
- Alcohol** – Fetal alcohol spectrum disorders – an Irish perspective, 221
- Alcohol case report** – Absinthe and suicidality, 44
- Alcohol Related Neurodevelopment Disorder** – Fetal alcohol spectrum disorders – an Irish perspective, 221
- Anticonvulsant** – Effects of the anticonvulsant topiramate on language abilities in people with epilepsy: a cross sectional study, 179
- Antipsychotic** – Association between antipsychotic medication and venous thromboembolism, 22
- Anorexia Nervosa** – Eating problems in Irish children and adolescence – EPICA, 172
- Anxiety** – Are you looking at me? Paranoid psychosis in pre-existing social phobia, 86
- Association** – Bipolar affective disorder as the initial manifestation of multiple sclerosis, 97
- Asperger's Syndrome (AS)** – Recognition and management of Asperger's syndrome: perceptions of primary school teachers, 6
- As required medications** – Analysis of prescribing practices in an acute psychiatric ward, 82
- Attention deficit hyperactivity disorder** – Irish adolescent with ADHD and comorbid substance use disorder, 148
- Audit** – An audit of incomplete involuntary admissions to an approved Irish centre, 143
- Autistic spectrum disorders** – Recognition and management of Asperger's syndrome: perceptions of primary school teachers, 6
- Balint groups** – Reflective practice in psychiatric training: Balint groups, 115
- Biology of freedom** – Biology of freedom: neural plasticity, experience and the unconscious, 51
- Bipolar disorder** – Cognitive dysfunction in bipolar disorder: a guide for clinicians, 51
- Bipolar affective disorder** – Bipolar affective disorder as the initial manifestation of multiple sclerosis, 97
- Bipolar affective disorder** – Catatonia – case report and review, 205
- Borderline personality disorder** – The use of inpatient services in patients with borderline personality disorder, 192
- Bulimia Nervosa** – Eating problems in Irish children and adolescence – EPICA, 172
- CADASIL** – Cerebral autosomal dominant arteriopathy with subcortical infarcts and leucoencephalopathy (CADASIL): a familial cause of depression and headache, 215
- Calgary depression scale** – Prevalence and clinical correlates of depression in the acute phase of first episode schizophrenia, 15
- Cannabis** – Cannabis and hyperemesis, 27
- Catatonia** – Catatonia – case report and review, 205
- Children on-call services** – Deliberate self-harm (DSH) out of hour's presentations, 11
- Chromosome 19** – Cerebral autosomal dominant arteriopathy with subcortical infarcts and leucoencephalopathy (CADASIL): a familial cause of depression and headache, 215
- Clozapine** – Treatment considerations in clozapine induced enuresis or incontinence, 99
- Coercion** – Patient attitudes towards compulsory community treatment orders and advance directives, 66
- Cognitive dysfunction** – Cognitive dysfunction in bipolar disorder: a guide for clinicians, 51
- Combined antipsychotics** – Combined antipsychotic use in a community rehabilitation psychiatric service, 138
- Community rehabilitation** – Combined antipsychotic use in a community rehabilitation psychiatric service, 138
- Community services** – Reducing the revolving door phenomenon, 27
- Community treatment orders** – Do we need community treatment orders in Ireland?, 90
- Compensation** – Expenditure of compensation from legal claims in an opiate dependent population, 141
- Compulsory community treatment** – Patient attitudes towards compulsory community treatment orders and advance directives, 66
- Consent** – Five years of ECT: the relationship between consent status and treatment experiences, 117
- Consultant psychiatrist** – Consultant psychiatrists experience of workplace violence – a national survey, 77
- Co-occurrence** – Are you looking at me? Paranoid psychosis in pre-existing social phobia, 86
- COX-2 inhibitor** – Depressive psychosis associated with cyclo oxygenase 2 inhibitor (meloxicam), 157
- Deliberate self-harm (DSH)** – Deliberate self-harm (DSH) out of hour's presentations, 11
- Dementia** – Carer-rated needs assessment of a cohort of people with dementia, 72
- Depression** – Prevalence and clinical correlates of depression in the acute phase of first episode schizophrenia, 15
- Depression** – Cerebral autosomal dominant arteriopathy with subcortical infarcts and leucoencephalopathy (CADASIL): a familial cause of depression and headache, 215
- Detention** – An audit of incomplete involuntary admissions to an approved Irish centre, 143
- Diagnosis** – Reasons for referral and consultation liaison psychiatry diagnoses, 123
- Differential diagnosis** – Bipolar affective disorder as the initial manifestation of multiple sclerosis, 97
- Disability** – Recovery from Disability: Manual of Psychiatric Rehabilitation, 53
- Dyskinesia** – Tardive dyskinesia on low dose risperidone, 45
- Early Intervention** – Early intervention in psychosis: service models worldwide and the Irish experience, 210
- Eating disorders** – Eating problems in Irish children and adolescence – EPICA, 172
- Effectiveness** – Do we need community treatment orders in Ireland?, 90
- Electroconvulsive therapy (ECT)** – Five years of ECT: the relationship between consent status and treatment experiences, 117
- Electroconvulsive therapy** – Catatonia – case report and review, 205
- Emergency Department** – Stress in an Irish inner city emergency department revisited (2000-2006), 135
- Enuresis** – Treatment considerations in clozapine induced enuresis or incontinence, 99
- Epidemiology** – Estimating the prevalence of adult ADHD in the psychiatric clinic: a cross sectional study using the adult ADHD self-report scale (ASRS), 195
- Europe** – Social and psychological correlates of happiness in 17 European countries, 130
- Fear Circuitry Disorders** – Stress-Induced and Fear Circuitry Disorders: Advancing the Research Agenda for DSM-V, 161
- Fetal Alcohol Spectrum Disorders** – Fetal alcohol spectrum disorders – an Irish perspective, 221
- Fetal Alcohol Syndrome** – Fetal alcohol spectrum disorders – an Irish perspective, 221
- First episode psychosis** – Prevalence and clinical correlates of depression in the acute phase of first episode schizophrenia, 15
- Future** – The Irish Journal of Psychological Medicine: looking to the future, 170
- Generic prescribing** – Analysis of prescribing practices in an acute psychiatric ward, 82
- Green-eyed monster** – Morbid jealousy: The green-eyed monster, 106
- Happiness** – Social and psychological correlates of happiness in 17 European countries, 130
- Headache** – Cerebral autosomal dominant arteriopathy with subcortical infarcts and leucoencephalopathy (CADASIL): a familial cause of depression and headache, 215
- Hyperemesis** – Cannabis and hyperemesis, 27
- Incomplete admissions** – An audit of incomplete involuntary admissions to an approved Irish centre, 143
- Incontinence** – Treatment considerations in clozapine induced enuresis or incontinence, 99
- Inpatient services** – Reducing the revolving door phenomenon, 27
- Inpatient services** – The use of inpatient services in patients with borderline personality disorder, 192
- Initial manifestation** – Bipolar affective disorder as the initial manifestation of multiple sclerosis, 97
- Intimidating** – Consultant psychiatrists experience of workplace violence – a national survey, 77
- Involuntary admission** – Patient attitudes towards compulsory community treatment orders and advance directives, 66
- Involuntary admissions** – An audit of incomplete involuntary admissions to an approved Irish centre, 143
- Ireland** – Planning perinatal psychiatry services for Ireland, 3
- Ireland** – Suicide in Ireland: a cross-national view, 198
- Irish** – The Irish Journal of Psychological Medicine: looking to the future, 170
- Irish students** – Eating problems in Irish children and adolescence – EPICA, 172
- Jealousy** – Morbid jealousy: The green-eyed monster, 106
- John C – John Case Nemiah (1918-2009)**, 53
- Knowledge** – Medication adherence and knowledge in older patients, 19
- Language abilities** – Effects of the anticonvulsant topiramate on language abilities in people with epilepsy: a cross sectional study, 179
- Legislation** – Five years of ECT: the relationship between consent status and treatment experiences, 117
- Liaison psychiatry consultation** – Reasons for referral and consultation liaison psychiatry diagnoses, 123
- Medication Adherence** – Medication adherence and knowledge in older patients, 19
- Medical staff** – Stress in an inner city emergency department revisited (2000-2006), 135
- Medicine** – The Irish Journal of Psychological Medicine: looking to the future, 170
- Meloxicam** – Depressive psychosis associated with a cyclo oxygenase 2 inhibitor (meloxicam), 157
- Mental health** – Primary care mental health – A new direction?, 63
- Mental health** – Social and psychological correlates of happiness in 17 European countries, 130
- Mental Health Act** – Patient attitudes towards compulsory community treatment orders and advance directives, 66
- Mental health presentations** – A potential model for primary care mental health services in Ireland, 152
- Mental Illness** – The Myth of Mental Illness: 50 years after publication. What does it mean today?, 35
- Morbid jealousy** – Morbid jealousy: The green-eyed monster, 106
- Multiple sclerosis** – Bipolar affective disorder as the initial manifestation of multiple sclerosis, 97
- Myth of Mental Illness** – The Myth of Mental Illness: 50 years after publication: What does it mean today?, 35
- Needs assessment** – Carer-rated needs assessment of a cohort of people with dementia, 72
- Nemiah** – John Case Nemiah (1918-2009), 53
- NSAIDs** – Depressive psychosis associated with a cyclo oxygenase 2 inhibitor (meloxicam), 157
- Neural plasticity** – Biology of freedom: neural plasticity, experience and the unconscious, 51
- Neuropsychological tests** – Effects of the anticonvulsant topiramate on language abilities in people with epilepsy: a cross sectional study, 179
- Notch 3 mutation** – Cerebral autosomal dominant arteriopathy with subcortical infarcts and leucoencephalopathy (CADASIL): a familial cause of depression and headache, 215
- Older people** – Medication adherence and knowledge in older patients, 19
- Opiate dependence** – Expenditure of compensation from legal claims in an opiate dependent population, 141

- Opiate treatment – Over the counter (OTC) opiate abuse treatment, 189
 Over-crowding – Stress in an Irish inner city emergency department revisited (2000-2006), 135
 Over the counter medication – Over the counter (OTC) opiate abuse treatment, 189
 Perinatal psychiatry – Planning perinatal psychiatry services for Ireland, 3
 Periorbital oedema – Risperidone induced periorbital oedema, 216
 Phone prompts – Phone prompts to improve attendance at a new patient clinic, 218
 Physical assault – Consultant psychiatrists experience of workplace violence – a national survey, 77
 Polysubstance abuse – Over the counter (OTC) opiate abuse treatment, 189
 Post-traumatic stress disorder: present and future, 162
 Prescribing – Analysis of prescribing practices in an acute psychiatric ward, 82
 Prevalence – Estimating the prevalence of adult ADHD in the psychiatric clinic: a cross sectional study using the adult ADHD self-report scale (ASRS), 195
 Primary care – Primary care mental health – A new direction?, 63
 Primary care – A potential model for primary care mental health services in Ireland, 152
 Primary school – Recognition and management of Asperger's syndrome: perceptions of primary school teachers, 6
 Psychiatric disorder – Medication adherence and knowledge in older patients, 19
 Psychiatry – Adherence in psychiatry, 55
 Psychiatry – Social and psychological correlates of happiness in 17 European countries, 130
 Psychiatry – Use of seclusion in a general hospital acute psychiatric unit, 184
 Psychiatric – Combined antipsychotic use in a community rehabilitation psychiatric service, 138
 Psychiatric co-morbidity – Over the counter (OTC) opiate abuse treatment, 189
 Psychiatric training – Reflective practice in psychiatric training: Balint groups, 115
 Psychology – Social and psychological correlates of happiness in 17 European countries, 130
 Psychological – The Irish Journal of Psychological Medicine: looking to the future, 170
 Psychosis – Are you looking at me? Paranoid psychosis in pre-existing social phobia, 86
 Psychosis – Early intervention in psychosis: service models worldwide and the Irish experience, 210
 Rasselas, Prince of Abissinia – Samuel Johnson – The History of Rasselas, Prince of Abissinia, 104
 Readmissions – Reducing the revolving door phenomenon, 27
 Recovery from Disability – Recovery from Disability: Manual of Psychiatric Rehabilitation, 53
 Reporting – Consultant psychiatrists experience of workplace violence – a national survey, 77
 Revolving door – Reducing the revolving door phenomenon, 27
 Risk assessment – Consultant psychiatrists experience of workplace violence – a national survey, 77
 Risk assessment – Textbook of violence risk assessment and management, 104
 Risperidone – Tardive dyskinesia on low dose risperidone, 45
 Risperidone – Risperidone induced periorbital oedema, 216
 Safety equipment – Consultant psychiatrists experience of workplace violence – a national survey, 77
 Safety training – Consultant psychiatrists experience of workplace violence – a national survey, 77
 Samuel Johnson – The History of Rasselas, Prince of Abissinia, 105
 Seclusion – Use of seclusion in a general hospital acute psychiatric unit, 184
 Screening – Estimating the prevalence of adult ADHD in the psychiatric clinic: a cross sectional study using the adult ADHD self-report scale (ASRS), 195
 Schizophrenia – Prevalence and clinical correlates of depression in the acute phase of first episode schizophrenia, 15
 Schizophrenia – Risperidone induced periorbital oedema, 216
 Seizure – Treatment considerations in clozapine induced enuresis or incontinence, 99
 Services – Carer-rated needs assessment of a cohort of people with dementia, 72
 Service delivery model – A potential model for primary care mental health services in Ireland, 52
 Service models – Early intervention in psychosis: service models worldwide and the Irish experience, 210
 Severe depression – Severe depression: Oxford Psychiatry Library, 161
 Social phobia – Are you looking at me? Paranoid psychosis in pre-existing social phobia, 86
 Sodium valproate – Treatment considerations in clozapine induced enuresis or incontinence, 99
 Stepped care – A potential model for primary care mental health services in Ireland, 152
 Stress – Stress in an Irish inner city emergency department revisited (2000-2006), 135
 Stress-Induced – Stress-induced and fear circuitry disorders: advancing the research agenda for DSM-V, 161
 Substance abuse – Expenditure of compensation from legal claims in an opiate dependent population, 141
 Substance induced – Depressive psychosis associated with a cyclo oxygenase 2 inhibitor (meloxicam), 157
 Suicidal ideation – Deliberate self-harm (DSH) out of hour' presentations, 11
 Suicide – Absinthe and suicidality, 44
 Suicide – Suicide in Ireland: a cross-national view, 198
 Suitability for Irish mental health services – Do we need community treatment orders in Ireland?, 90
 Survey – Reasons for referral and consultation liaison psychiatry diagnoses, 123
 Tardive – Tardive dyskinesia on low dose risperidone, 45
 Teachers – Recognition and management of Asperger's syndrome: perceptions of primary school teachers, 6
 Threatening – Consultant psychiatrists experience of workplace violence – a national survey, 77
 Topiramate – Effects of the anticonvulsant topiramate on language abilities in people with epilepsy: a cross sectional study, 179
 Training – Recognition and management of Asperger's syndrome: perceptions of primary school teachers, 6
 Unmet needs – Carer-rated needs assessment of a cohort of people with dementia, 72
 Venous thromboembolism – Association between antipsychotic medication and venous thromboembolism, 22
 Verbal aggression – Consultant psychiatrists experience of workplace violence – a national survey, 77
 Violence – Consultant psychiatrists experience of workplace violence – a national survey, 77
 Violence – Textbook of violence risk assessment and management, 104

Index to Authors 2010

Ir J Psych Med 2010; 27(4): 229-230

- Adamson, Neil – Deliberate self-harm (DSH) out of hour's presentations, 11
 Agyapong, Vincent – Recognition and management of Asperger's syndrome: perceptions of primary school teachers, 6
 Ahern, Sinead – Eating problems in Irish children and adolescence – EPICA, 172
 Alugo, Tolulope – Tardive dyskinesia and low dose risperidone, 45
 Apantaku-Olajide, Tunde D – Treatment considerations in clozapine induced enuresis or incontinence, 99
 Apantaku-Olajide, Tunde D – Combined antipsychotic use in a community rehabilitation psychiatric service, 138
 Bajaj, Vikrant – Risperidone induced periorbital oedema, 216
 Barry, Helen – Expenditure of compensation from legal claims in an opiate dependent population, 141
 Behan, Caragh – Early intervention in psychosis: service models worldwide and the Irish experience, 210
 Bonnar, Maurice – Reasons for referral and consultation liaison psychiatry diagnoses, 123
 Bracken, Pat – The Myth of Mental Illness: 50 years after publication: What does it mean today? 35
 Breathnach, Caoimhghin – Samuel Johnson – The History of Rasselas, Prince of Abissinia, 105
 Breslin, Tom – Stress in an Irish inner city emergency department revisited (2000-2006), 135
 Browne, Stephen – Prevalence and clinical correlates of depression in the acute phase of first episode schizophrenia, 15
 Buckley, Aisling – Effects of the anticonvulsant topiramate on language abilities in people with epilepsy: a cross sectional study, 179
 Byrne, Michael – A potential model for primary care mental health services in Ireland, 152
 Cahill, Richard – Medication adherence and knowledge in older patients, 19
 Callanan, Ian – Reasons for referral and consultation liaison psychiatry diagnoses, 123
 Campbell, Aisling – Severe Depression: Oxford Psychiatry Library, 161
 Canning, Catherine – The use of inpatient services in patients with borderline personality disorder, 192
 Cavendish, Harry – The Myth of Mental Illness: 50 years after publication: What does it mean today? 35
 Clarke, Mary – Prevalence and clinical correlates of depression in the acute phase of first episode schizophrenia, 15
 Codd, Mary – Stress in an Irish inner city emergency department revisited (2000-2006), 135
 Cohen, Dermot P – Expenditure of compensation from legal claims in an opiate dependent population, 141
 Cooney, Colm – Carer-related needs assessment of a cohort of people with dementia, 72
 Coyle, Ciaran – Eating problems in Irish children and adolescence – EPICA, 172
 Crosson, Charles – Recognition and management of Asperger's syndrome: perceptions of primary school teachers, 6
 Crumlish, Niall – The Myth of Mental Illness: 50 years after publication: What does it mean today? 35
 Crumlish, Niall – Post-traumatic stress disorder: present and future, 162
 Crumlish, Niall – Cerebral autosomal dominant arteriopathy with subcortical infarcts and leucoencephalopathy (CADASIL): a familial cause of depression and headache, 215
 Curran, Ruth – The use of inpatient services in patients with borderline personality disorder, 192
 Daly, Antoinette – Reducing the revolving door phenomenon, 27
 Daly, Robert – Absinthe and suicidality, 44
 Daly, Sally – Patient attitudes towards compulsory community treatment orders and advance directives, 66
 Daly, Oscar – The use of inpatient services in patients with borderline personality disorder, 192
 Davey, Gavin P – Effects of the anticonvulsant topiramate on language abilities in people with epilepsy: a cross sectional study, 179
 Doherty, Mairin – Deliberate self-harm (DSH) out of hour's presentations, 11
 Doherty, Anne M – Social and psychological correlates of happiness in 17 European countries, 130
 Doherty, Colin – Effects of anticonvulsant topiramate on language abilities in people with epilepsy: a cross sectional study, 179
 Dooley, Barbara – Eating problems in Irish children and adolescence – EPICA, 172
 Duffy, Richard – Adherence in psychiatry, 55
 Dunne, Allison – Analysis of prescribing practices in an acute psychiatric ward, 82
 Edokpolo, Osamede – Irish adolescents with ADHD and comorbid substance use disorder, 148
