In the article by Lansley (2012) published online on 3 May 2012 in *Ageing & Society*, the following text should have been inserted in the footnote on page 1:

Peter Lansley has been very closely involved with the EPSRC EQUAL initiative, initiating the EQUAL Research Network and SPARC. He has had a significant involvement with KT-EQUAL, NDA and LLHW.

The author apologises for this omission and recognises that this is important context for the article.
