

### THE BOUNCER

Sorry, cancer.  
No one invited you to my party.

And I am the life of my party.  
Certainly no one asked you.

I was just having fun.

And you know what?  
Get lost, forever.

Or meet my  
Chemo bouncer  
At the door.

Since there is no way  
You are getting back in tonight  
Or tomorrows' tonights.
