MYKHAILO SOLDATENKO (LLM '18)

Associate, International Arbitration
and Cross-Border Litigation
Asters, Ukraine

"Straus is special because of its people. The entire faculty offered their time for personal chats and valuable advice. They equipped me with solid theoretical and practical knowledge in arbitration and provided many insights on how to succeed in the field. Small group classes created a unique opportunity to discuss exciting topics with a close circle of engaged and bright people. Such a level of personal attention is not commonplace at other universities.

"With this background under my belt, I left Straus with a significant competitive advantage in the arbitration market."
