Bibliography for 2005

PAUL G. REMLEY, CAROLE P. BIGGAM, SIMON KEYNES,
CAROLE HOUGH, REBECCA RUSHFORTH, MARK
BLACKBURN, MARTHA BAYLESS, FELICITY H. CLARK
AND FIONA EDMONDS

This bibliography is meant to include all significant books, articles and reviews published in any branch of Anglo-Saxon studies during 2005, as well as entries omitted from previous bibliographies. It excludes reprints unless they contain new material. The year of publication of a book or article is 2005 unless otherwise stated. The arrangement and the pages on which the sections begin are as follows:

10. REVIEWS   391

Paul Remley has served as chief editor of the bibliography and has been responsible mainly for the eighteen parts of sections 1–4. Carole Biggam has served as editor of the archaeological entries and has been responsible mainly for the twelve parts of section 9. Rebecca Rushforth has been responsible mainly for the four parts of section 5; Martha Bayless, Felicity Clark and Fiona Edmonds for the six parts of section 6; Mark Blackburn for section 7; and Carole Hough for section 8. Additional entries have been supplied for section 2 by Thomas N. Hall and Melinda J. Menzer. Additional entries have been supplied throughout by Simon Keynes, Carole Biggam and Paul Remley. References to publications issued in Japan, and elsewhere in eastern Asia, have been contributed mainly by Professor Yoshio Terasawa. References to publications issued in Russia have been contributed mainly by Dr Timofey V. Guimon. Paul Remley has been responsible for co-ordination of the contributions and has prepared the bibliography for publication.

In the citation of online journals and similar resources, an address-independent Digital Object Identifier (DOI) has been supplied where available. Citation of print journals on the basis of facsimiles provided online in Page-Definition Format (PDF) has not been acknowledged explicitly in the bibliography, but the practice has been avoided wherever possible and will be discontinued altogether for a journal if a discrepancy between its printed text and a version in PDF should ever come to light.
