Plain English Campaign Award for the College

The College was delighted to learn recently that two of the Help is at Hand leaflets, *Sleep Problems* and *Bereavement* had received Plain English Campaign Awards for 1996. Professor Brice Pitt, former Director of Public Education, and Dr Guinevere Tufnell, a long-standing member of the Public Education Committee, attended the Awards Ceremony at the Whitbread Brewery Conference Centre in London on Monday 18 November to receive the plaque on behalf of the College. The leaflets had been nominated by members of the general public for providing clear and understandable information on these common but sensitive issues.
