

The value of such informal meetings can hardly be over-estimated, and it is not surprising to find how popular these meetings have proved. Anyone interested, within reach of London, and who wishes to join, should communicate directly with Dr. Franklin at Bulstrode Street, or with the Secretary of the Sub-Committee.

As a reminder, it might be added that the Sub-Committee is anxious not only to see other such groups formed in provincial centres, but to assist in any way it can study and research in the psychological aspects of mental disorder, and especially would it welcome any suggestion of joint or concerted action on any likely investigation to which the group method might be applicable.

J. ERNEST NICOLE,  
*Hon. Secretary.*
