Cost-effectiveness analysis: Can we reduce variability in costing methods?

Taghreed Adam

David B. Evans

World Health Organization

Marc A. Koopmanschap

Erasmus University Rotterdam

David B. Evans of the World Health Organization was erroneously omitted from the list of authors of the article entitled “Cost-effectiveness analysis: Can we reduce variability in costing methods,” which was published in Volume 19 Number 2 (Spring 2003) of *International Journal of Technology Assessment in Health Care*. We regret the oversight.
