

# Current bibliography of urban history

JOHN SMITH and LIZ TACEY

This bibliography is a continuation of and a complement to those published in the *Urban History Yearbook* 1974–91 and *Urban History* 1992–2004. The arrangement and format closely follows that of previous years. There is an index of towns on p. 504. The list of abbreviations identifies only those periodicals from which articles cited this year have been taken.

## I General

Research methods, aid and materials  
Urban history – definitions and historiography  
Urbanization  
History, growth and fortunes of individual towns  
Portraits of towns: literary, photographic and graphic

## II Population

Natality and mortality  
Disease  
Migration to, from and between towns

## III Physical structure

Research methods, aids and materials  
Physical and structural characteristics of towns  
Physical and structural characteristics of areas within towns  
Industrial and building sites, building development  
Housing

## IV Social structure

Research methods, aids and materials  
Social structure and characteristics of towns  
Social structure and characteristics of areas within towns  
Class structure

Social life  
Social problems and deviance  
Social reform and improvements  
Minority groups  
Family life

## V Economic activity

Urban economic activity  
Industry  
Internal trade and services  
Consumption  
Working conditions  
Labour organization

## VI Communications

Inter-urban communications  
Intra-urban communications

## VII Politics and administration

Research methods, aims and materials  
Urban politics and administration  
Aspects of urban administration  
Public utilities

## VIII Shaping the urban environment

Town planning and environmental control  
Utopian planning and experiments  
Housing improvement

**IX Urban culture**

Research methods, aids and materials

Urban culture and entertainment

Forms of entertainment

Fine arts

Exchange of information

Education

Urban influence on rural areas and the wider world

**X Attitudes to cities**

Views of the city in literature, graphic and dramatic art
