

## Contributors

**David Buehler**, M.Div., M.A., is founder of Bioethika Online Publishers and also serves as Chaplain to the University Lutheran Ministry of Providence, Rhode Island.

**Michael M. Burgess**, Ph.D., is Chair in Biomedical Ethics, Centre for Applied Ethics at The University of British Columbia, Vancouver, Canada.

**Arthur L. Caplan**, Ph.D., is Trustee Professor and Director of the Center for Bioethics, University of Pennsylvania, Philadelphia, Pennsylvania. His most recent books are *Due Consideration* (John Wiley & Sons, 1998), and *Am I My Brother's Keeper?* (Indiana University Press, 1998).

**Thomas A. Cavanaugh**, Ph.D., is an Assistant Professor in the Department of Philosophy, University of San Francisco, San Francisco, California.

**Mildred K. Cho**, Ph.D., is Assistant Professor of Bioethics in the Center for Bioethics and the Department of Molecular and Cellular Engineering at the University of Pennsylvania School of Medicine. Dr. Cho's major areas of interest are the ethical and social impacts of genetic testing and gene therapy, and how conflicts of interest affect the conduct of clinical research.

**Steve Heilig**, M.P.H., is Director of Education at the San Francisco Medical Society, Director of the Bay Area Network of Ethics Committees, San Francisco, California, and Co-Editor of the *Cambridge Quarterly of Healthcare Ethics*.

**John Hubert** is a doctoral student in philosophy and part-time Instructor of Nursing at Dalhousie University, Halifax, Nova Scotia.

**Kenneth V. Iserson**, M.D., M.B.A., is Professor of Surgery (Emergency Medicine), Director of the Program in Bioethics, and Chair of the Bioethics Committee at the University of Arizona College of Medicine, Tucson.

**Tom Koch**, M.S., is a research associate in bioethics at The Hospital for Sick Children, Toronto; and forum associate at the David-See-Chai Lam Centre for International Communications, Simon Fraser University, Harbour Centre, Vancouver, Canada.

**Mark G. Kuczewski**, Ph.D., is an Assistant Professor of Bioethics and the Director of Graduate Studies at the Center for the Study of Bioethics, Medical College of Wisconsin, Milwaukee. He is the author of the recent book *Fragmentation and Consensus: Communitarian and Cassuist Bioethics* (Georgetown University Press, 1997).

### *Contributors*

**Helga Kuhse**, Ph.D., is Director of the Centre for Human Bioethics at Monash University, Melbourne, Australia, and Editor of *Bioethics News*.

**David Magnus**, Ph.D., is the Graduate Studies Director and faculty member at the University of Pennsylvania's Center for Bioethics. A philosopher, Dr. Magnus has worked primarily on issues in history and philosophy of biology, and social and ethical implications of genetic technology.

**Glenn McGee**, Ph.D., is a member of the Senior Faculty at the Center for Bioethics and Assistant Professor in the School of Medicine at the University of Pennsylvania, Philadelphia, Pennsylvania.

**Jon F. Merz**, J.D., Ph.D., is an Assistant Professor in the Department of Molecular and Cellular Engineering and Faculty Associate in the Center for Bioethics at the University of Pennsylvania. He is the principal investigator of a 3-year project developing informed consent methods for storage of human DNA for research purposes funded by the NIH, DOE, and VA consortium on Informed Consent Research, and coinvestigator of a 2-year study of medical confidentiality funded by the Culpeper Foundation.

**Susan Sherwin**, Ph.D., is Professor of Philosophy and Women's Studies at Dalhousie University, Nova Scotia.

**George P. Smith II**, J.D., is a Professor of Law at The Catholic University of America, Washington, D.C. He has held numerous research appointments throughout the world and more recently served as a consultant to UNESCO's International Bioethics Committee.

**Michael Stingl**, Ph.D., is Associate Professor in the Department of Philosophy, The University of Lethbridge, Alberta, Canada.

**David C. Thomsma**, Ph.D., is the Fr. Michael I. English, S.J. Professor of Medical Ethics and Director of the Medical Humanities Program at Loyola University Chicago Medical Center, Maywood, Illinois.

**Christopher Tollefsen**, Ph.D., is an Assistant Professor in the Department of Philosophy at the University of South Carolina, Columbia, South Carolina.

**Jack L. Tribble**, Ph.D., J.D., is a Patent Counsel in Biotechnology at Merck & Co., Inc., Rahway, New Jersey.
