NCER 2020

FEBRUARY 25-27, 2020 IN LAKE LOUISE, AB

All EM researchers interested in emergency medicine research, including multi-centre trials, education research, and quality improvement (QI) research, are encouraged to attend the Network of Canadian Emergency Researchers (NCER) meeting.

Registration details: ncer.ca/2020-meeting-lake-louise/

Protocol submissions due: January 15, 2020

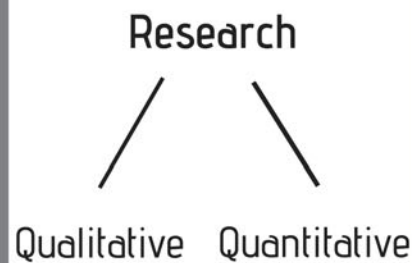

Network of
Canadian
Emergency
Researchers

Réseau
Canadien
de Recherche
en Urgence

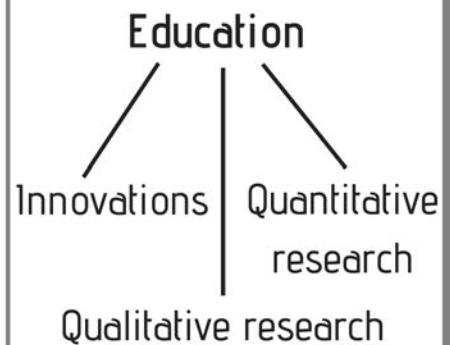

NCER: Better collaboration. Better research. Better care.

#CAEP20 Abstract Competition Is OPEN

Quality improvement & patient safety

For projects that use QI methodologies, as opposed to research or education projects on topics relevant to quality and/or safety.

SUBMIT YOUR ABSTRACT BY DECEMBER 12, 2019.
