

## ERRATUM

The following is a correction for an error that occurred in the *Journal of the International Neuropsychological Society*, Vol. 8, No. 6, pp. 781–793. The article titled “Neuropsychological functioning in a cohort of HIV infected

women: Importance of antiretroviral therapy,” by J.L. Richardson et al., had errors in Table 5, which appeared on page 788. Please refer to the numbers in boldface that shows the incorrect and correct values, respectively.
