

Figures

- 11.1 Chart of common metric parameters found in rock [page 189]
- 12.1 Kick and snare patterning on “FEAR.,” “YAH.,” “LOVE.,” and “PRIDE.” from Kendrick Lamar’s DAMN. (2017) [199]
- 12.2 Kick and snare patterning in “XXX.” (starting at 0:26) and “DUCKWORTH.” [199]
- 12.3 Kick and snare patterning in the first verse of “DNA.,” the last verse of “XXX.,” the second verse of “DNA.,” “GOD.,” and “HUMBLE.” [200]
- 12.4 Kick and snare patterning in “LUST.” [201]
- 12.5 Kick and snare patterning in “ELEMENT.” [201]
- 12.6 “HUMBLE.,” mm. 1–4, vocal transcription [202]
- 12.7 “HUMBLE.,” mm. 1–4, vocal transcription depicting non-alignment [203]
- 12.8 “HUMBLE.,” mm. 1–4, vocal transcription with rhyme [204]
- 12.9 Piano loop (in conventional notation) and kick-and-snare patterning in the loop of “HUMBLE.” [204]
- 12.10 “YAH.,” mm. 16–17, vocal transcription depicting non-alignment [205]
- 12.11 Boxplot of syllable delay with respect to the meter in “YAH.,” second verse, grouped by measure [206]
- 12.12 “ELEMENT.,” third verse, mm. 1–4 [207]
- 12.13 “ELEMENT.,” third verse, mm. 5–12 [208]
- 12.14 “ELEMENT.,” entire third verse, metric position of accented syllables [209]
- 12.15 “ELEMENT.,” third verse, mm. 5–12, rhythmic structure of kick, snare, and accented vocal syllables (top) [209]
- 14.1 Cyclic representation of *tala* [242]
- 15.1 3+3+2 rhythms in polyphony [272]
- 18.1 Riemann zeta function rhythm [320]
- 18.2 Corpus analysis of a trend in rhythm from a historical corpus of electronic music (both art and popular works, 1950–1999). The data is from analysis of the mean over pieces of the number of attacks in two-second windows. [326]
