WORLD PEACE THROUGH LAW: CONFERENCE IN BRAZIL

The Tenth Conference on the Law of the World, convened by the World Peace Through Law Center and its affiliated organizations (the World Association of Judges, the World Association of Lawyers, the World Association of Law Professors, the World Association of Law Students, and the World Association of Center Associates), will take place in Sao Paulo, Brazil, August 16-21, 1981. This will be the first time that a Conference on the Law of the World will be held in South America. The program will contain panel discussions and seminars on a variety of current topics, including legal education, media and communications law, international real estate law, family law, legal services, computer technology in law, international products liability, foreign trade and investment, law of the sea, human rights, international taxation, aviation law, legal aspects of travel, world health law, etc.

For information about the conference contact:

The World Peace Through Law Center
Suite 800
1000 Connecticut Avenue, N.W.
Washington, D.C. 20036
