## Politics and Communication

Cambridge Elements in Politics and Communication publishes research focused on the intersection of media, technology, and politics. The series emphasizes forward-looking reviews of the field, path-breaking theoretical and methodological innovations, and the timely application of social-scientific theory and methods to current developments in politics and communication around the world.

Edited by Stuart Soroka

# APSA Journals

The American Political Science Association (APSA) publishes four leading peer-reviewed political science journals. Members have free online access to the *American Political Science Review*, *Perspectives on Politics*, *PS: Political Science & Politics*, and the *Journal of Political Science Education*.

 @apsrjournal

The *American Political Science Review* is political science's premier scholarly research journal, providing peer-reviewed articles and review essays from subfields throughout the discipline.

*Perspectives on Politics* seeks to provide a space for broad and synthetic discussion within the political science profession and between the profession and the broader scholarly and reading publics.

 @PoPpublicsphere

 @ps\_polisci

*PS: Political Science & Politics* provides critical analyses of contemporary political phenomena and is the journal of record for the discipline of political science reporting on research, teaching, and professional development.

The *Journal of Political Science Education* is an intellectually rigorous, peer-reviewed quarterly journal that publishes evidence-based and theoretically informed scholarship on teaching and pedagogical issues in political science.
