
APPROACHES TO CHRONIC DISEASE MANAGEMENT EVALUATION IN USE IN EUROPE: A REVIEW OF CURRENT METHODS AND PERFORMANCE MEASURES – CORRIGENDUM

Annalijn Conklin, Ellen Nolte, and Hubertus Vrijhoef
doi:10.1017/S0266462312000700, Published by Cambridge
University Press, 12 December, 2012.

In “Approaches to chronic disease management evaluation in use in Europe: A review of current methods and performance measures”, a name was missing from the acknowledgements note. After, “The authors are grateful to the project partners and additional experts who contributed to data collection/

verification.” the following should be listed first: Cécile Knai (London School of Hygiene & Tropical Medicine, LSHTM, London, UK). The authors regret this error.
