## **Business Ethics Quarterly**

*Business Ethics Quarterly (BEQ)* is a peer-reviewed scholarly journal that publishes theoretical and empirical research relevant to the ethics of business. Since 1991 this multidisciplinary journal has published articles and reviews on a broad range of topics, including the internal ethics of business organizations, the role of business organizations in larger social, political and cultural frameworks, and the ethical quality of market-based societies and market-based relationships. It recognizes that contributions to the better understanding of business ethics can come from any quarter and therefore publishes scholarship rooted in the humanities, social sciences, and professional fields.

### **The multidisciplinary scholarly journal of the Society for Business Ethics**

The Society for Business Ethics is an international organization providing a forum for those interested in research, teaching, or the practical application of ethical principles and concepts to the management of businesses. Membership is open to scholars and professionals specializing in business ethics as well as anyone else seeking the benefits of membership. The society welcomes members from all disciplines.

Society for Business Ethics membership includes online access to all issues of the journal as well as a print copy.

Individuals can become members at [www.journals.cambridge.org/SBEHome](http://www.journals.cambridge.org/SBEHome). Membership rates are \$100 for individuals with income over \$100,000, \$75 for individuals with income under \$100,000 and \$40 for retirees and students.

*Business Ethics Quarterly* is published by Cambridge Journals on behalf of the Society for Business Ethics. The journal is included in the Cambridge Journals Online service and can be found at <http://journals.cambridge.org/beq>.
