

## Erratum

---

Struhsaker, T. T., Lwanga, J. S. & Kasenene, J. M. 1996. Elephants, selective logging and forest regeneration in Kibale Forest, Uganda. Volume 12: 45–64.

Page 54, line 19: should read ‘. . . selectively damaged by elephants and *two* species avoided in the unlogged forest . . .’ (not ‘six species’).
