We would like to express our sincerest thanks to Victoria Cooper and the staff at Cambridge University Press – especially Rebecca Taylor and Fleur Jones – for their help and assistance in guiding this project from proposal through to publication. We also record our gratitude to Sally Groves and Ian Mylett at Schott and to Gwyn Rhydderch from the Tippett Foundation for responding to various queries and requests. We are indebted to the Will Trustees of the Tippett Estate for their kind permission to reproduce unpublished material housed at the British Library, the BBC Written Archives Centre and the Mandeville Special Collections Library, University of California, San Diego. Finally, Nicholas Jones would like to thank his parents for their unwavering support and, as ever, Bethan, Hywel, Rhys and Catrin for their infinite patience and loving encouragement.
