Refreshment

342 **Pharmacological management of antipsychotic-induced akathisia: an update and treatment algorithm**

Ketan Dipak Jethwa

Cover image

Hughes *et al.* (pp. 307–312) use case law and vignettes to discuss the nature and assessment of residence capacity – an individual's mental capacity to decide where they should live – and Findlay (pp. 313–314) considers the ethical duty of clinicians to hone their professional judgement in this increasingly important area of practice.
