In Joshua Banks Mailman's article "Upon the Occasion of the Milton Babbitt (1916–2011) Centenary: An Interview with Benjamin Boretz" in *TEMPO*'s previous issue, vol. 70, no. 278<sup>1</sup> a remark was mis-attributed. The statement on page 41, attributed to David Saperstein, was in fact made by David Lidov of York University, Toronto. We apologise for any confusion this may have caused.
