

ADVANCES IN APPLIED PROBABILITY

VOLUME 15

NUMBER 1

MARCH 1983

FIFTEENTH YEAR OF PUBLICATION

EDITOR-IN-CHIEF **J. GANI**

ADVANCES IN APPLIED PROBABILITY

This is a companion publication to the *Journal of Applied Probability* published by the Applied Probability Trust. It contains review and expository papers in applied probability, as well as mathematical and scientific papers of interest to probabilists, and letters to the editor. An annual volume of approximately 800 pages is published in four issues appearing in March, June, September and December.

EDITORIAL COMMITTEE

<i>Editor-in-Chief</i>	J. GANI (University of Kentucky)
<i>Coordinating Editors</i>	C. C. HEYDE (CSIRO, Canberra) M. F. NEUTS (University of Delaware) G. E. H. REUTER (Imperial College, London)
<i>Executive Editor</i>	MAVIS HITCHCOCK (University of Sheffield)

EDITORS

P. J. BROCKWELL (Colorado State University)
V. R. CANE (University of Cambridge)
J. W. COHEN (University of Utrecht)
E. J. HANNAN (Australian National University)
J. KEILSON (University of Rochester)
D. G. KENDALL (University of Cambridge)
J. F. C. KINGMAN (University of Oxford)
K. KRICKEBERG (Université René Descartes, Paris)
R. M. LOYNES (University of Sheffield)
K. R. PARTHASARATHY (Indian Statistical Institute, New Delhi)
C. A. B. SMITH (University College, London)
R. L. TWEEDIE (Siromath, Sydney)

TECHNICAL EDITOR KATHLEEN M. LYLE (University of Sheffield)

ADDRESS FOR CORRESPONDENCE

All correspondence relating to the submission of papers should be sent to:

The Executive Editor,
Applied Probability,
Department of Probability and Statistics,
The University,
Sheffield S3 7RH, England.

Subscription rates and notes for contributors are to be found on the inside back cover.
