

Worldwide Search for Talent

City University of Hong Kong is a dynamic, fast-growing university that is pursuing excellence in research and professional education. As a publicly-funded institution, the University is committed to nurturing and developing students' talents and creating applicable knowledge to support social and economic advancement. The University has seven Colleges/Schools. As part of its pursuit of excellence, the University aims to recruit **outstanding scholars** from all over the world in various disciplines, including **business, creative media, energy, engineering, environment, humanities, law, science, social sciences, veterinary sciences** and other strategic growth areas.

Applications and nominations are invited for:

Head [Ref. A/235/23]

Department of Materials Science and Engineering

The Position

Reporting to the Provost through the Dean of College of Science and Engineering, the Head of Department will provide leadership and strategic direction in research and professional education for the Department. The Head will encourage and promote academic excellence, and steer the Department to enhance the mission and vision of the University in alignment with the University's Strategic Plan.

The Person

A doctorate degree with strong academic and professional qualifications, a distinguished record of teaching, research and scholarship, and substantial relevant experience in tertiary education; outstanding management effectiveness; commitment to teamwork; and strong communication and networking skills to build and nurture internal and external contacts to the benefit of the Department.

Salary and Conditions of Service

The appointee will be offered appointment to an academic rank commensurate with qualifications and experience. The headship appointment will be on a concurrent basis for an initial period of three years. Remuneration package will be attractive and driven by market competitiveness and individual performance. Excellent fringe benefits include gratuity, leave, medical and dental schemes, and relocation assistance (where applicable).

Information and Application

Further information on the post and the University is available at <http://www.cityu.edu.hk>, or from the Human Resources Office, City University of Hong Kong, Tat Chee Avenue, Kowloon Tong, Hong Kong [Email : mseseach@cityu.edu.hk/Fax : (852) 2788 1154 or (852) 3442 0311].

To apply, please submit an online application at <http://jobs.cityu.edu.hk>, and include a current curriculum vitae. Nominations can be sent directly to the Human Resources Office, or email to "mseseach@cityu.edu.hk". **Applications and nominations received by 31 July 2017 will receive full consideration.** The University's privacy policy is available on the homepage.

City University of Hong Kong is an equal opportunity employer and we are committed to the principle of diversity. Personal data provided by applicants will be used for recruitment and other employment-related purposes.

Worldwide recognition ranking 49th (QS survey 2017/18), and 4th among top 50 universities under age 50 (QS survey 2016/17); 1st in Engineering/Technology/Computer Sciences in Hong Kong (ARWU survey 2016); and 2nd Business School in Asia-Pacific region (UT Dallas survey 2016).

Where should I publish?

MRS Advances

MRS Advances reports snapshots of work in progress on key materials topics identified by MRS Meeting programming

Accepts Contributed Articles

► For more information visit mrs.org/mrs-advances

MRS Communications

MRS Communications publishes materials research that is impactful, urgent, and of broad interest to the materials community

Accepts Research Letters and Prospective Articles—forward-looking authoritative assessments of specific topics

► For more information visit mrs.org/mrc

JMR Journal of MATERIALS RESEARCH

JMR publishes materials research that demonstrates a significant scientific advance or understanding in materials science

Accepts full-length Research Articles and Reviews

► For more information visit mrs.org/jmr

MRS ENERGY SUSTAINABILITY

MRS E&S addresses broad perspectives in energy and sustainability as they relate to the impact of materials research on society

Accepts Review Articles by proposal or invitation; other article formats may be considered

► For more information visit mrs.org/energy-sustainability-journal

MRS Bulletin

MRS Bulletin provides thematic materials overviews, research news, industry and policy developments, and MRS and materials community news and events

Accepts Overview Articles by invitation or proposal

► For more information visit mrs.org/bulletin

Five distinct options. One publishing partnership.
