Changes to Membership Cycle in 2003

With the launch of *Perspectives on Politics* in 2003, APSA members now receive one journal a month rather than two journals bundled together every three months. *PS* arrives in your mailbox in January, April, July, and October. *APSR* shows up in February, May, August, and November. *Perspectives* comes in March, June, September, and December.

Due to this new publication schedule, APSA has changed its annual membership cycle. Now, membership expiration dates are assigned to the end of members' anniversary months. For example, if someone joins APSA on February 20, 2003, her membership will run through February 28, 2004, rather than expiring on December 31, 2003 as it has in the past.

Members who renew on time retain the same expiration month. However, members who renew late have the option of receiving back issues of the journals they've missed or of receiving a full calendar year of membership.

As always, if you have any questions about your membership please contact member services at 202.483.2512 or membership@apsanet.org.
