

Church of England Faculty Jurisdiction Practice Note No 1 of 2016

1. Following the decision of the Diocese of Leeds that it will cease referring to itself as West Yorkshire and the Dales, Schedule 1 to Practice Note 1 of 2015 (23 December 2015)¹ needs revision to reflect this change of usage (both in respect of the name of that diocese's consistory court and the diocesan abbreviation for use in neutral citation).
2. Schedule 1 as revised forms an appendix to this Practice Note.
