Additional Content

The content in the following section, which was presented at the 51st European Marine Biology Symposium in Rhodes, Greece, was previously published in error in an earlier issue (Vol. 97, Issue 3) of the *Journal of the Marine Biological Association of the United Kingdom*.

As such, all content and associated bibliographic data (Volume and Issue numbers, page ranges, DOIs, and publication dates) remain unchanged in both print and electronic formats.

All citations should be to the original Volume and page range (see below list and individual paper details), and not to this Issue.
