BY-LAWS

The introductory part in the English version of Article 24 reads as follows:

'24. Each Adhering Country pays annually to the Union a number of units of contribution according to its category as follows:'

WORKING RULES

The Executive Committee complemented the Working Rules as follows:

A second sentence has been added to article 1 reading as follows:

'The General Secretary shall publish a Style Book with rules covering the preparation of publications of the Union'

The following two articles have been added to the Working Rules:

V. SCIENTIFIC MEETINGS

32. The General Secretary shall publish rules for scientific meetings organized or sponsored by the Union.

VI. EXTERNAL CONTACTS

33. No dealings with third parties, attributable to the Union, shall be undertaken by any Member of the Union except on the authority of the General Secretary.
