

## OPENINGS IN MATHEMATICS

### UNIVERSITY OF SASKATCHEWAN

Applications are invited for the position of head of a new Department of Computational Science at the Saskatoon Campus. Duties will involve organization of the department including the development of courses and the recruiting of staff.

The academic rank of the appointee will depend upon qualifications and experience but it is not expected the rank will be below that of an Associate Professor. Present salary scales are:

- (1) Associate Professor - \$11,500 - \$14,600
- (2) Professor - \$15,000 with no maximum.

Applications and enquiries should be sent to the Vice-President (Administration), University of Saskatchewan, Saskatoon, Saskatchewan.

### UNIVERSITE DE SHERBROOKE

Plusieurs postes sont actuellement vacants au sein du département de mathématiques. Salaires et rang selon l'expérience. (Salaire de base pour docteur en mathématiques et sans expérience: \$8,100.) Les mathématiciens spécialisés en algèbre, analyse fonctionnelle, statistiques, analyse numérique, etc..., sont particulièrement recherchés.
