Conditions and copyright

Responsibility for the contents of papers rests upon the authors, and not upon the association or the publisher.

It is a condition of publication that manuscripts submitted to this journal have not been published and will not be simultaneously submitted or published elsewhere. By submitting a manuscript, the authors agree that the copyright for their article is transferred to the publisher if and when the article is accepted for publication. However, assignment of copyright is not required from authors who work for organisations that do not permit such assignment. The copyright covers the exclusive rights to reproduce and distribute the article, including reprints, photographic reductions, microfilm or any other reproductions of similar nature and translations. No part of this publication may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, electrostatic, magnetic tape, mechanical, photocopying, recording or otherwise, without permission in writing from the copyright holder.

Subscription Rates 2012

This journal is published 4 times per year.
The institutional rates (excluding VAT) are:

	Print and online	Electronic only
Australia	284 AUD	271 AUD

AIMS

The Australian Association for Cognitive and Behaviour Therapy (AACBT) is a multidisciplinary professional society.

The aims of the Association are:

1. to organise continuing education and training in the principles and practice of Cognitive and Behaviour Therapy
2. to publish and disseminate information to members about developments in Cognitive and Behaviour Therapy in Australia and other countries
3. to educate the community in the principles and ethical practice of Cognitive and Behaviour Therapy
4. to liaise and consult with other persons or organisations in the teaching and practice of Cognitive and Behaviour Therapy
5. to promote the ethical practice of Cognitive and Behaviour Therapy by members
6. to organise or assist in the organisation of an annual National Conference on Cognitive and Behaviour Therapy.
