Narratives and Normativity: Totalitarianism
and Narrative Change in the European Legal
Tradition after World War II —
ADDENDUM

KAIUS TUORI

doi:10.1017/S0738248019000130, Published by Cambridge University Press, 23 April 2019

In the above article,¹ a funding source was missing from the acknowledgments. The following statement should have appeared at the end of the acknowledgments:

This research has also been supported by the Academy of Finland funded Centre of Excellence in Law, Identity and the European Narratives, funding decision number 312154.

The original article has been updated online to include this.
