TABLE OF CONTENTS

On the complexity of the theories of weak direct powers. By CHARLES RACKOFF	561
The theory of the Gödel functionals. By NICOLAS D. GOODMAN	574
Hanf numbers for omitting types over particular theories. By JULIA F. KNIGHT	583
Undecidable properties of finite sets of equations. By GEORGE F. MCNULTY	589
On definable subsets of p -adic fields. By ANGUS MACINTYRE	605
Co-hypersimple structures. By J. B. REMMEL	611
Noncomplex sequences: characterizations and examples. By ROBERT P. DALEY	626
Categoricity regained. By ERIK ELLENTUCK	639
Another intuitionistic completeness proof. By H. DE SWART	644
Higher Souslin trees and the generalized continuum hypothesis. By JOHN GREGORY	663
A note on countable complete theories having three isomorphism types of countable models. By ROBERT E. WOODROW	672
Types of simple α -recursively enumerable sets. By ANNE LEGGETT and RICHARD A. SHORE	681
Degrees of classes of RE sets. By J. R. SHOENFIELD	695
Reviews	697
Special notice	703
Notices of meetings	703
Notice of the Polish Academy of Sciences	704

The JOURNAL OF SYMBOLIC LOGIC is the official organ of the Association for Symbolic Logic Inc., published quarterly, in the months of March, June, September, and December. The JOURNAL also contains the official notices of the Division of Logic, Methodology and Philosophy of Science of the International Union of History and Philosophy of Science.

Membership in the Association is open to any one interested in its work. Annual dues for students are \$8.00. Dues for other individual members are \$15.00 per year. Dues include subscription to the current volume of the JOURNAL. For their personal use, all members may purchase back issues at 25% discount.

For nonmembers, subscription to the current volume of the Journal is \$40 per year. Back volumes may be purchased at \$20 per volume for volumes 1–17, \$25 per volume for volumes 18–36, \$45 for volume 37, \$53 for volume 38, and \$60 for volumes 39 and 40.

Applications for membership in the Association, requests for information, all business correspondence and notices of change of address should be sent to **The Association for Symbolic Logic, P.O. Box 6248, Providence, Rhode Island 02940**. Dues and subscriptions to the JOURNAL should be sent to **The Association for Symbolic Logic, P.O. Box 1571, Annex Station, Providence, Rhode Island 02901**; all orders must be accompanied by payment.

Articles for publication in the JOURNAL should be sent to *Carl G. Jockusch, Department of Mathematics, University of Illinois, Urbana, Illinois 61801* or to *William Craig, Department of Philosophy, University of California at Berkeley, Berkeley, California, 94720* or to *Anil Nerode, Department of Mathematics, Cornell University, Ithaca, N.Y. 14850* or to *C. E. M. Yates, Department of Mathematics, University of Manchester, Manchester, England* or to *Dagfinn Føllesdal, Department of Philosophy, University of Oslo, Blindern, Oslo 3, Norway*.

Authors and publishers are requested to send copies of books for review to *Alonzo Church, The Journal of Symbolic Logic, U.C.L.A., Los Angeles, California 90024*.
