

The College

COLLEGE LIBRARY

I am sorry that the Library has not been fully available to members, although it has always been possible to deal with enquiries on historical matters, and during the last two years to supply photocopies and other material for historical research. The delay has been due to a combination of factors, the most important of which were: the structural alterations necessary to support the weight of the books; the increased shelving required to contain the books; the rearranging and refurbishing of the Library itself and the lack of professional help with the indexing and rearrangement of the books.

These obstacles have now in the main been overcome. I am particularly happy to report the appointment of Mrs Susan Floate as part-time Librarian, the first professional Librarian that we have ever had. Mrs Floate took up her duties on 1 May 1980.

Although a start has been made on the indexing and re-arrangement of the books, there is still a formidable task ahead. However, it is hoped that the Library will be open on a regular part-time basis from 1 September of this year.

H. R. ROLLIN
Honorary Librarian

COLLEGE PRIZES

The following have been awarded College Prizes for 1980:

Gaskell Medal and Prize

Dr Digby Tantam, Maudsley Hospital.

Laughlin Prize

Dr David Jones, Knowle Hospital.
