

Bibliography of urban history 2013

GERVASE FRENCH

The present bibliography is a continuation of and a complement to those published in the *Urban History Yearbook* 1974–91 and *Urban History* from 1992. The arrangement and format closely follows that of previous years. The list of abbreviations identifies only those periodicals from which articles cited this year have been taken, though many other journals are also checked. There is an index of towns on p. 775.

I General

Research methods, aids and materials
Printed documentary sources
Maps and plans
Guides to the literature and printed documentary sources
Urban history, definitions and aims
Historiography
Theory of urbanization
Empirical studies of urbanization
History, growth and fortunes of individual towns
Portraits of towns – literary, photographic and graphic
Literary portrayals and personal reminiscences
Graphic and photographic portrayals

II Population

General features of urban populations
Natality and mortality
Disease
Medicine
Migration to, from and between towns
Family and household structure

III Physical structure

Research methods, aids and materials
Physical and structural characteristics of towns

Physical and structural characteristics of areas within towns
Land ownership
Architecture
Housing
Open space

IV Social structure

Research methods, aids and materials
Social structure and characteristics of towns
Social structure and characteristics of areas within towns
Social organization, clubs and societies
Class structure
Social life, customs and traditions
Religion
Recreation
Social problems and deviance
Social reform and improvement
Minority groups
Family life
Gender

V Economic activity

Research methods, aids and materials
Printed documentary sources
Urban economic activity
Industry
External trade

Food supply
Retailing
Finance, banking and industry
Consumption
Earnings
Standard of living
Working conditions
Labour organization

VI Communications

Inter-urban communications
Intra-urban communications

**VII Politics and
administration**

Research methods, aids and materials
Urban politics and administration
Urban politics at national level
Aspects of urban administration

**VIII Shaping the urban
environment**

Town planning (and environmental control)
Utopian planning and experiments
Housing improvement
Urban renewal

IX Urban culture

Research methods, aids and materials
Urban culture and entertainment
Forms of entertainment
Exchange of information
Education

X Attitudes towards cities

Attitudes towards cities
*Views of the city in literature, graphic and
dramatic art*
