The Annals of Glaciology is a thematic journal published by Cambridge University Press for the International Glaciological Society 2–4 times a year. All papers are peer-reviewed and edited. For journal issues and submissions of papers see: <https://www.cambridge.org/core/journals/annals-of-glaciology>

The accuracy of references in the text and lists is the responsibility of the authors, to whom queries should be addressed.

Printed in the UK, by Bell & Bain Ltd., Glasgow.
