Social Policy and Society is an international journal sponsored by the UK Social Policy Association. Its intended audience are social policy specialists and practitioners, although those within the other social science related fields, particularly sociology, politics and economics will find much of interest to them. It brings discussion of contemporary social policy issues to a wider audience and provides a valuable teaching and research resource to the worldwide social and public policy community.

Social Policy Digest

The **Social Policy Digest** is designed as a key online resource for all those working in UK social policy - policymakers, researchers, teachers and students, campaigners, journalists, and practitioners. It provides a categorized, and regularly updated, listing of relevant new developments across the whole social policy field.

Access to the Digest is now completely free.

The Digest database contains tens of thousands entries covering the period since 2002. Entries are organized by theme and time period, and can be searched. There is also a 'Latest News' listing and a news feed service, both of which are updated on a near-daily basis.

The *Journal of Social Policy* carries high quality articles on all aspects of social policy. It places particular emphasis upon articles which seek to contribute to debates on the future direction of social policy, to present new empirical data, to advance theories, or to analyse issues in the making and implementation of social policies.

The *Journal of Social Policy* is part of the 'Social Policy Package', which also includes *Social Policy and Society*.
