

## OPENINGS IN MATHEMATICS

### BROCK UNIVERSITY

#### Department of Mathematics

There is a vacancy for a faculty member to join the University now. The appointment may be either permanent or temporary for one year. During the academic year 1964-65 the appointee, who will be the first member of the Department, will be responsible for the first-year course attended by about fifty science students. He will be encouraged to continue in his own field of research, and will have the opportunity of contributing heavily to the rapid development of the department and of the whole university.

Apply to: The Director of Science Studies  
Brock University  
15 Welland Avenue  
St. Catharines, Ontario
