Notice to contributors

The editors welcome articles of general interest to psychiatrists. The *Psychiatric Bulletin* concentrates on provision of services to people with mental disorders, and psychiatric training.

Please send three copies of all submissions, typed double-spaced. A good length is 1200 words; however, longer articles will be considered. Key references should be listed using the Harvard system of referencing, as in the *British Journal of Psychiatry*. A brief summary of up to 100 words should be supplied with original articles.

Conference briefings and reviews should be no more than 500 words. Correspondence on subjects of topical interest are welcome but letters should be no more than 350 words, with up to three references, and should not include diagrams or tables.

Contributions are accepted for publication on the condition that their substance has not been published or submitted for publication elsewhere. The views expressed in articles published in the *Psychiatric Bulletin* (except official College material) are the authors' own and do not necessarily represent College policy. All material submitted for publication in the *Psychiatric Bulletin* should be accompanied by a covering letter to the editor signed by all authors.

The *Psychiatric Bulletin* operates an independent peer review system
