

Binge eating disorder revisited: what's new, what's different, what's next – Addendum

Leslie Citrome

doi: <https://doi.org/10.1017/S1092852919001032>, Published by Cambridge University Press 14 June 2019

In the original publication of Citrome (2019), the front and back matter were missing from the article. The print and online versions of this publication has been updated to include the front and back matter.

In addition, funding information has been added to this publication and is reproduced below:

This activity is supported by an unrestricted educational grant from Sunovion Pharmaceuticals.
