

Publisher's Note

Please be informed that with effect from 2011, Volume 23 of *Acta Neuropsychiatria* will be published in an online-only format. No printed edition will be published.

Articles published in *Acta Neuropsychiatria* will therefore appear online-only.

Our Authors will benefit from the following services:

- Continue to order print reprints of articles.
- Free publication of colour images in the online-only edition.
- Faster issue publication times.
- Better digital functionality – enhanced integration of supporting information and multimedia files.
- Wider readership reach and greater research impact.

Acta Neuropsychiatria available online at *Wiley Online Library*. Please visit the author instructions at wileyonlinelibrary.com for full details.
