

RETRACTION
**ON A WEAKLY UNIFORMLY ROTUND DUAL OF A BANACH
SPACE – RETRACTION**

J. R. GILES

doi:10.1017/S0004972712000597, Published by The Australian Mathematical Society, 1 August 2012

The argument in [1] claiming a renorming of a Banach space with separable second dual to have WUR dual is built upon a false application of Goldstine’s Theorem. The author, having noticed this gap in the proof, has retracted the article.
