

In His Day: Awareness of Wilson's Duplicity—ERRATUM

Desmond Jagmohan

doi:10.1017/S1537592716001316. Published online by Cambridge University Press, 31 August 2016.

Owing to an editorial oversight in the footnote of his contribution to the Reflections Symposium in the September 2016 issue of *Perspectives on Politics*, Desmond Jagmohan's title was listed incorrectly. The footnote should read as follows:

Desmond Jagmohan (jagmohan@princeton.edu) is an Assistant Professor in the Department of Politics at Princeton University.
